

CRITERIA FOR TRAINERS

ANMC Professional Practice Framework (PPF)

'Train the Trainer' Workshops

The PPF workshops will utilise a 'train the trainer' model and space will be limited. Individuals wishing to deliver training on the implementation of the Professional Practice Framework should meet the following criteria:

Essential criteria

- Each candidate should be an experienced Registered Nurse or Midwife
- experience in delivering professional education.
- in depth knowledge and understanding of contemporary nursing and/or midwifery practice and regulatory issues.
- understanding of adult learning principles.

Desirable criteria

- current involvement in a clinical environment.
- hold a Certificate IV in Training and Assessment or equivalent.
